

National Health Systems Resource Centre

Technical Support Institution with National Health Mission
Ministry of Health & Family Welfare, Government of India

EXPRESSION OF INTEREST

Government of India is considering expanding the range of Point of Care Diagnostics devices that can be utilized at the Health & Wellness Centers (Sub Center and Primary Health Center) to provide Comprehensive Primary Health Care including basic Ophthalmic, ENT, Dental, Mental and Geriatric care. Institutions may submit the details of the product through the National HealthCare Innovation Portal (www.nhinp.org). The details may be accessed from the website - www.nhsrindia.org

The last date of submission is 15-April-2018.
