CORRIGENDUM

Expression of Interest

For Website Revision/Revamping and Maintenance of the NHSRC official Website (www.nhsrcindia.org)

29 July 2020
This Corrigendum shall now be a part of EOI issued on 16 Jul 2020 by National Health Systems Resource Centre

1. **Point no. 2 - CMS Features:**
   - Website must be CMS based (Custom CMS preferred) and CMS must be secure and open sourced based.

2. **Point no. 3 - Security:**
   - All logins must operate on secure protocols *(SSL Certificate provided by NHSRC).*

3. **Point no. 7 - Website Revision/Revamping**
   - To ensure that websites comply with the ‘Guidelines for Indian Government Websites (GIGW)’ [http://guidelines.gov.in/](http://guidelines.gov.in/) in full along with mobile compatibility *(Certification not required).*

4. **Point no. 2 - User Friendly:**
   - Site must be compatible with Internet Explorer & other web browsers. Web site must not require plug-ins as a default. The technologies to be use for its development and maintenance should be easily available and cost effective.

5. **Point no. 12 - Technology:**
   The website/ portal should be based on Custom CMS like Larval, CI, Yii, Node Js, Bootstrap or latest version of Drupal and preferably use Open Source Tools like XAMPP, LAMP, Moodle, Open LDAP etc.

6. **SCOPE OF WORK**
   - Webmail & Employee Login are not the part of SCOPE OF WORK.
