D.O. No. L-19017/50/2015-UH (Pt)

Dated: 09<sup>th</sup> October, 2015

Dear *Union Director*,

As you are aware, National Urban Health Mission (NUHM) was approved as a submission under National Health Mission by the Cabinet in May 2013. Recently, MoHFW has signed a Loan Agreement with the Asian Development Bank (ADB) for extending support of \$300 million under NUHM. Funding from ADB is linked to the achievement with regard to seven 'Disbursement Linked Indicators (DLIs)', both outcome and output indicators, in areas of - increased institutional delivery, establishment of city specific primary healthcare delivery system, improved community process, quality assurance etc. A list of these seven Disbursement Linked Indicators is enclosed at Annexure-I for your reference.

It is imperative that the year-wise targets set out in the DLIs are met to enable loan disbursement under NUHM. Further, the achievement of targets would be reflected in the expenditure reported by the States under NUHM. The release of next instalments to the States/UTs will be influenced by the extent of progress registered on these DLIs.

Your support and cooperation would be pivotal in fulfilment of targets set out in respect of above said DLIs. It is requested that adequate steps may be taken for timely reporting of expenditure and progress on the above said DLIs.

With regards,

Yours sincerely,

*MJ*  
(Manoj Jhalani)

To,

Mission Directors – NHM (All States and UTs)
