D.O. No. 7(157)/2016-NHM-I
09th December, 2016

Dear colleague,

Kayakalp Award Scheme was launched last year with aim of promoting 'Swachhata' and Hygiene in Public Health facilities. In the current year, Kayakalp Award scheme has been extended to CHCs/SDHs and PHCs.

2. I am given to understand that your State has completed assessment of District Hospitals. However assessment of PHCs is yet to be completed. All States/UTs were required to complete assessment process and declare the awards in each applicable category by October 2016. I may inform you that the MoHFW along with Ministry of Drinking Water and Sanitation is planning a joint campaign centred around 1000 such PHCs that have been identified as 'Swachha' PHCs in the Kayakalp evaluation and scored over 70 marks. The campaign is proposed to be launched on or around the 25th December 2016.

3. May I, therefore, request you to issue necessary instructions for completion of Kayakalp related activities for PHCs and send details of winners and those scoring over 70 marks by **21st December 2016** positively. I hope you will appreciate the time sensitivity. I look forward to your full cooperation.

With regards,

Yours sincerely,

(Manoj Jhalani)

Principal Secretary (Health & FW)
Department of Health & Family Welfare
Government of Bihar, Punjab and Rajasthan
