Date: 17th December 2020

Subject: Dissemination of "Implementing Guidebook of Quality Management System for AEFI Surveillance in States and Districts"

Dear *Mission Directors*

Reference is invited to my letter of even number, dated 03 November 2020, regarding sharing of budgetary norms (FMR 13.3.2) and assessment criteria for Quality Management System for AEFI surveillance activities at state, district and sub district levels activities. It was requested that based on the assessment criteria and budgetary norms for activities at various levels, a plan may be drawn up for step-wise implementation of QMS for AEFI surveillance in the states and districts and the request for required funds may be proposed in the PIPs.

In order to assist states and districts to initiate the implement the QMS for AEFI surveillance quickly and efficiently, an "Implementing Guidebook of Quality Management System for AEFI Surveillance in States and Districts" has been developed. It provides step-wise guidance to the immunization programme managers and quality assurance experts to prepare for and implement the QMS for AEFI. A soft copy of the same is enclosed with this letter.

Hard copies of this Implementing Guidebook will be dispatched to the SEPIO for further sharing with relevant immunization and quality officers at state and district levels.

Yours sincerely

Mahesh Kumar Aggarwal
(Dr M K Aggarwal)

Enclosed: As above
