Date: 1st November, 2016

Dear *Dr Karthikeyanji*

I write to you with reference to the recent meeting with Municipal Corporations and their representatives held on 26th October, 2016, at Nirman Bhawan, New Delhi to review the implementation of National Urban Health Mission (NUHM).

The workshop was a very fruitful one with each Municipal Corporation presenting the progress of NUHM activities in respect to their cities. However there are challenges which are required to be addressed and attended to. Actionable points have been identified and discussed in the Workshop. The Municipal Corporations also need to learn certain best practices from each other. It is a joint effort of both the ULBs and the State machinery assisted by National Urban Health Mission which can overcome these hurdles and provide a quality health care easily accessible to the vulnerable poor people of the urban areas which have been the vision of the National Health Mission.

In this regard, please find enclosed the minutes of the meeting and “Action Points” to be undertaken by you.

Your continuous support and active participation in implementation of NUHM will accelerate the pace of implementation of the programme.

With Warm Regards

Yours Sincerely

(Dr. K Rajeswara Rao)
