

## Terms of Reference Web Developer (Short Term)

National Health Systems Resource Centre (NHSRC) has been set up under the National Health Mission (NHM) as an autonomous registered society, to channelize technical assistance and capacity building support to the states for strengthening the public health system.

NHSRC on behalf of Ministry of Health & Family Welfare (MoH&FW) intends recruiting Database Developer (Short Term) purely on contractual basis.

### **Job Description:**

The Developer shall have excellent knowledge and sound experience in developing web based applications on Microsoft .net platform. He / she shall bridge the gap between graphical design and technical implementation, taking an active role on both sides and defining how the application looks as well as how it works.

### **Role and Responsibilities:**

- Develop new user-facing features
- Build reusable code and libraries for future use
- Optimize application for maximum speed and scalability
- Assure that all user input is validated before submitting to back-end
- Deployment of the web application at the data centre VM
- Collaborate with other team members and stakeholders

### **Eligibility and Skills Sets:**

- **Qualifications:** B.E/B. Tech/MCA from a reputed institute. Microsoft certification in Web Development (Desirable)
- **Experience:** 5+ Years' Experience
- Excellent knowledge of C# and .NET Framework 4.5
- Proficient understanding of web markup, including HTML5, CSS3
- Proficient understanding of server-side CSS pre-processing platforms, such as LESS and SASS
- Proficient understanding of client-side scripting and JavaScript frameworks, including jQuery
- Good understanding and knowledge of advanced JavaScript libraries and frameworks, such as AngularJS, KnockoutJS, BackboneJS,
- Good understanding of asynchronous request handling, partial page updates, and AJAX
- Proficient understanding of cross-browser compatibility issues and ways to work around them.
- Proficient understanding of code versioning tools, such as {{Git / Mercurial / SVN / Others}}
- Experience of deployment of web application
- Experience in development of application for deployment in data centre VM

**Age Limit:** Below 45 years as on last date of receiving of applications.

**Remuneration:** Within band of Rs. 40,000/- to Rs. 90,000/- p.m. - as appropriate

**Contract Tenure:** Three months and extendable

**\*Note:** As this is a short term assignment; Preference will be given to candidates residing within Delhi/NCR region and the selected candidate will be required to join within 7 days.

**How to Apply:** Candidates are requested to download the application form attached with the TOR, which is uploaded on the NHSRC website and email the duly filled application form to [shortterm.nhsrc@gmail.com](mailto:shortterm.nhsrc@gmail.com) by **23-Oct-2018**. Application submitted in other format will not be accepted. Please ensure to mention post applied for on the application form, without which the application form will not be accepted.
